A WAR CLOUD.

The Crisis in Morocco Taken Advantage of by France.

ENGLAND LOOKS WITH JEALOUSY

On the Action of Her Neighbor, which is Construed as a Blow at British Prestige—The Peace of Europe Threatened by the Move—All the Great Powers Jealous in Regard to Morocco—Civil War May Result From the Death of the Sultan.

Toulon, France, June 12.—Four war ships under Admiral LeBourgeois, have started for Tangier. The iron clads Magenta, Admiral Duperre and Alger, under Admiral Gaudard, have also been ordered to place themselves in readiness to sail for Morocco at the shortest notice.

London, June 12.—The news of the despatch of the French fleet to Morocco and of the preparations being made to reinforce it, if necessary, is attracting considerable attention here. The news from Morocco is far from being reassuring and civil war is anticipated. Conflicting reports are still in circulation in regard to the death of the late sultan of Morocco, and the general opinion seems to be that Sultan Abdul Aziz will have to defend his throne with his sword.

The *Poll Malt Gazette* this afternoon, referring to the jealousy of the powers in regard to Morocco, says that the danger to European peace is due to the fact that M. Dupuy is premier, and that he may take this opportunity of striking a blow at English prestige. It is added that a policy of aggression would be popular in France and Spain, which countries would certainly be satisfied with a dual control of Morocco, excluding England from having any voice in the affairs of that country. The *Globe* and the *St. James' Gazette* apprehend that a civil war will be the only way of settling the succession to the throne of Morocco. The *Globe*, in view of the despatch of a French fleet to Morocco, disapproves the immediate strengthening of the British fleet off the coast of that country.

Tangier, June 12.—The remains of the late Sultan Moulay Hassan have been sent under military escort to Rabat for burial. The succession of the late sultan's young son, Abdul Aziz, has been accepted at Casablanca, but a hostile feeling prevails at Fez where Moulay Ismail, a brother of the deceased sultan, has been acting as the sultan's representative. Moulay Ismail is a popular favorite and trouble is feared. The Spanish cruiser *Conde Venadito* has arrived here.

WOLF IN SHEEP'S CLOTHING.

A Successful Evangelist Arrested for Embezzlement—A Scoundrel who imposed on Good People.

NYACK, N. J., June 12.—Captain Dunlap, an evangelist who has been conducting revival services in Nyack for the past week, is under arrest. It is alleged that Dunlap embezzled several thousand dollars from the government while in its employ at Washington. The secret detectives who have been following the captain all over the country arrested the captain while he was talking religious matters on the street to one of his converts. The evangelist was handcuffed and taken away on the train. He made no protest. Evangelist Dunlap came to Nyack a week ago, having recommendations from many of the principal cities of the United States. He held religious services in the Y. M. C. A. building and subsequently under the auspices of the W. C. T. U.

Dunlap began a spirited revival in St. Paul's Methodist church. He was a fluent and powerful speaker, and this, combined with his apparent deep piety and earnestness, drew large houses at each meeting. He was in the midst of his success when Nyackians were astounded by his arrest.

THE NORTHWEST FLOODS.

The Waters Gradually Receding—Measures for Relief.

VANCOUVER, B. C., June 12.—Reports from the flooded districts of the Fraser valley are very encouraging. The flood is gradually receding throughout the valley. The steamers are still actively engaged in delivering supplies to the settlers. Funds are coming rapidly. The Winnipeg board of trade has wired a contribution of \$1,200. A meeting will be held this afternoon of representatives of the provisional government, boards of trade and municipal councils to arrange a system of relief and also to consider a scheme for effectually diking the low lands.

The Dead Slav Buried.

UNIONTOWN, PA., June 12.—The body of John McKaff, the slav killed in the riot on Sunday, was taken to-day in the Greek cemetery at Leisenring, No. 1. The strikers came from all parts of the region and fully five thousand people were present. Miners' Secretary Dwyer stated that he dreaded to see so many of them together as he feared violence at their hands after seeing their comrade laid to rest. The plant of W. C. McCormick, near Cheat Haven, was visited by strikers last night and the tools and carts were thrown into the river. A new supply was bought at once and the plant is still running.

Damage by Earthquake.

MADRID, June 12.—The results of the earthquake yesterday were more serious at Nacimiento than at first reported. Several people were killed and a number wounded by the collapse of buildings. A church and some school buildings are a heap of ruins.

Nothing Strange.

Intelligent people, who realize the important part the blood holds in keeping the body in a normal condition, find nothing strange in the number of diseases Hood's Sarsaparilla is able to cure. So many troubles result from impure blood, the best way to treat them is through the blood. Hood's Sarsaparilla vitalizes the blood.

Hood's Pills are the best after-dinner pills, assist digestion, prevent constipation.

WHOLESALE PRICES.

Weekly Report of the Local Wholesale Markets in All Lines.

OFFICE OF THE INTELLIGENCER, WHEELING, Tuesday, June 12.

There were few changes this week in the local market quotations. In groceries there is a quiet feeling. In vegetables there is the usual change of quotations in the downward direction.
